

## Classroom

Putting a spin on things:  
Whirling Weather

## Supply List

- A clay/dough ball with a stick through it - or a globe, ball, piece of fruit or other round item you can turn in your hand
- A regular pencil with eraser
- Colored pencils
- A sink that is about half-full with water --  
Fill the sink up at the start of the lesson and let it sit
- Something to sprinkle on the water that will float and won't clog the drain (like a cooking spice)
- A toilet paper or paper towel roll
- Handouts 1 through 4 (available on [cimms.ou.edu](http://cimms.ou.edu))
